

Fall Festival Sponsorship Form

Boosters is a parent-volunteer led organization and our role is to be the social glue that creates the connected and active community we'd all like to see at BASIS Mesa and to fund needs the school has that are not covered by their annual budget. Rather than selling cookie dough or candles we fund raise with events that serve both aspects of our mission – community building and fundraising. Your sponsorship will be a integral part of the boosters program and help us the meet our fundraising goals. The student body consists of roughly 900 students and this event will also be open to the public. We're expecting between 500 and 1000 people to attend.
