

Supernova Sponsorship Program

Thank you for your interest becoming a BASIS Mesa Booster's Supernova Sponsor! Boosters is a parent-volunteer led organization and our role is to be the social glue that creates the connected and active community we'd all like to see at BASIS Mesa and to fund needs the school has that are not covered by their annual budget. Your sponsorship will be an integral part of the boosters program and help us meet our fundraising goals.

The student body consists of roughly 900 students. Flyers are distributed monthly to the primary students and emails are sent out to all families at least twice per month. We have several sponsorship opportunities available at different rates, some of which are monthly and some of which are for the entire school year. All spaces (other than entries in the Supernova Greenbook) are limited and based upon availability.

Please fill out and return the attached form to become a Supernova Sponsor. If you have questions, please reach out to the Sponsorship Chair, Kirbi Doty at 480.217.2855 (text/voice) or kdoty@tctproperties.com.
